

kurimanzutto

newsletter //

september - december // 2007

It is an honour for kurimanzutto to present Jimmie Durham as a new artist of the gallery.

kurimanzutto continues its activities during the second semester of 2007. The series of drawings *La búsqueda del ombligo* by Daniel Guzmán is shown throughout September. In October will be presented the *24 Hours Cinema Marathon* by Jonathan Hernández. Finally in November, Minerva Cuevas' recent work will be exhibited.

As part of the artists' activities abroad, Damián Ortega is nominated for the *Preis Der Nationalgalerie für Junge Kunst 2007* from Germany, and he presents two solo shows in September: *Being*, at IKON Gallery, Birmingham, UK, and *The man is the controller of the universe* at DAAD Gallery, Berlin, Germany. Minerva Cuevas inaugurates *Phenomena*, a solo show at Kunsthalle Basel, Switzerland, and she also participates, likewise Rirkrit Tiravanija, in the Lyon Biennial, France. During October, Carlos Amoraes participates in *Performa 04*, New York, and he presents a project for the new Museum of Contemporary Art in Denver. In November Abraham Cruzvillegas, Gabriel Kuri, and Jonathan Hernández participate in *Unmonumental*, the inaugural exhibition at the New Museum's new building in New York. Finally, during December the exhibition *Exotic Ravens*, Carlos Amoraes solo show, opens at the Moore Space, Miami, and Dr. Lakra is part of *Goth* at Yokohoma Museum, Japan.
