newsletter//

january - july // 2008

We are glad to announce the activities for the first semester of 2008. In March the Swiss artist Thomas Hirschhorn will produce the installation *Poor Tuning*, and in May, the Thai filmmaker Apichatpong Weerasethakul will present *Unknown Forces*, a video-installation. Both projects have been specially developed for kurimanzutto's space in Juan de la Barrera 116.

During May, kurimanzutto in collaboration with OPA (Artistic Projects Office) will present a project by Carlos Amorales in Guadalajara, Jalisco, Mexico.

Minerva Cuevas and Monika Sosnowska have solo shows at Van Abbemuseum (Netherlands) and Schaulager (Switzerland) respectively. Daniel Guzmán first solo show in a museum from the US will be exhibited: *Double Album* at the New Museum, New York.

Among the group exhibitions Abraham Cruzvillegas, Gabriel Kuri, and Jonathan Hernández take part of the New Museum's inaugural exhibition: *Unmonumental*. Carlos Amorales, Dr. Lakra, and Jimmie Durham will show their work at *Martian Museum of Terrestrial Art*, Barbican Art Gallery (UK). Daniel Guzmán and Gabriel Kuri have been invited to the 5th Berlin Biennial.

We are also pleased to inform that the *Artist Research Fellowship* (Smithsonian Institution) has been granted to Abraham Cruzvillegas, who will carry on a research in different museums in Washington D.C. during February and March.
